Brunch N' Chill is a brunch series founded by two dynamic women. Tasha From 4th Ward, a female comedian and Zoey Clarke, a female Artist/DJ founded Brunch N' Chill in Spring 2022. The brunch features cuisines from local celebrity chefs and hand-crafted spirits such as Belaire Rose, Casamigos and Hennessy.

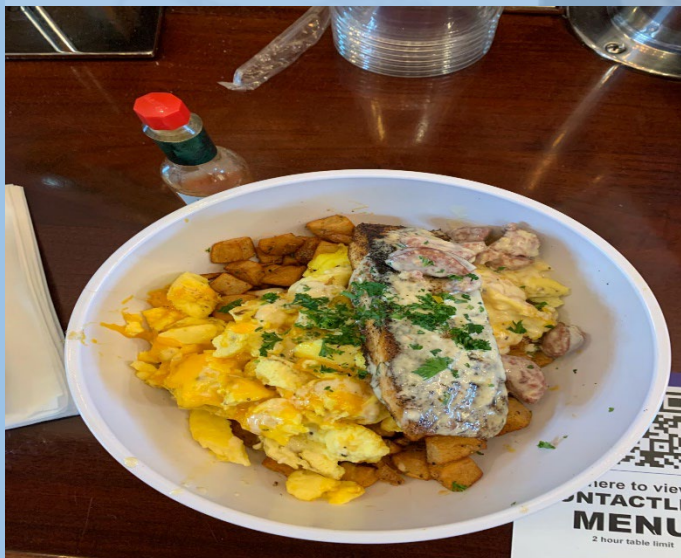

With never ending themes, there's no predicting who will stop by or what type of fun each week will bring. For that reason, Brunch N' Chill has quickly become one of city's go to brunches. From birthday celebrations to single release parties, you can enjoy good drinks, delicious food and exotic flavors on Hookah!

Additionally, Brunch N Chill hosts some of the country's most eclectic disc jockeys. Most brunches feature several rooms to provide vibes from every music genre. So, whether you're visiting from out of town, or you just want a relaxing dining experience, come have Brunch N Chill with us!
